A. **GROUND ONE:** Ineffective Assistance of Counsel.

Supporting facts (Do not argue or cite law. Just state the specific facts that support your claim.):
Trial Counsel Julie Lesser, and Appellate's Counsel's John Tatum, and Valencia Bush failed to file Motion To Hold DNA Hearing after the DNA Testing Results are completed. Trial Counsel Julie Lesser failed to file Motion For DNA Discovery. Trial Counsel Julie Lesser failed to file Motion Appoint Independent Expert To Assist In The Evaluation, Paration, and Presentation of Defense. Trial Counsel Julie Lesser failed to file Motion To Suppress DNA testing Results Report. Trial Counsel Julie Lesser failed to file Motion Request For Bench Warrant, Tell-Conference or a Spear Hearing. Trial Counsel Julie Lesser failed below deficien performance by not being present to represent appellant at the Trial Court's Findings of Fact on October 21, 2015. Trial Counsel Julie Lesser was not present at the DNA

B. **GROUND TWO:** Fifth Amendment of the United State Constitution

a right for counsel representation.

Supporting facts (Do not argue or cite law. Just state the specific facts that support your claim.):

Trial Counsel did not represent appellant at the Trial Court's Findings of Fact or the DNA Testing results report hearing after the completion of the DNA testing. There is no hearing or court report's trial transcripts of the hearing.

GROUND ONE: DNA Testing results, because there was no hearing was held see the Official Court Reporter record, no record confirmed by Ms. Holt Official Court Reporter on October 21, 2015. Trial Counsel Julie Lesser and Appellate Counsel's John Tatum, and Valenic Bush failed to give entire DNA Testing Results Report. Trial Counsel did not give appellant the DNA Testing Results Report until five year later on November 11, 2019, and this report is not the entire DNA Discovery Testing Results Report. Trial Counsel Julie Lesser did not prepare a defense for appellant on DNA Testing Results Report of the State Forensic Scientist Nicole Mullins went on the assumption that the expert done her job, but in all actually she presented a false testing results to the 282ND Judicial District Court of Dallas County Texas, and counsel was ineffective in failing to consult experts to prepare to challenge State's Forensic Scientist DNA Testing Results Report evidence. Trial Counsel Julie Lesser was ineffective by failing to investigate, and cross-examination, suppress the DNA Report. Trial Counsel Julie Lesser deficient performance prejudiced the appellant defense by first counsel was not present at DNA hearing to represent the appellant, secondly the trial counsel did not file Motion To Hold DNA Hearing, after the DNA Testing results are completed, Motion For DNA Discovery, Motion Request For Bench Warrant, Tell-Conference or a Spears Hearing, Motion To Suppress DNA Testing Results Report, and Motion Appoint Independent Expert To Assist In The Evaluation, Preparation, and Presentation of appellant defense, this is the main point of the deficient performance prejudiced appellant pro bono expert Forensic Pathology Harry J. Bonnell, M.D. reviewed, and analyzed the DNA Report prepared by State's expert Forensic Scientist Nicole Mullins, and based on Harry J. Bonnell, M.D. review and analysis as well as my education, training and experience, it is my opinion to a reasonable degree of medical certainty that:

- * None of the samples undergoing DNA analysis meet current criteria for a "match", i.e. the same findings at 13 loci on the DNA strand. As shown on the STR Data Worksheet, only six loci are matches and these are questionable for the reasons listed below.
- * More serious are the errors between the STR Data Worksheet and the gene mapper graph.
- * The gene mapper graph (GMP) shows INConclusive and 16 at locus D3S1358 yet the Data Worksheet erroneously list 16,16 for that locus.
- * The GMP shows INConclusive and 14 at locus D19S433 yet the Data Worksheet erroneously lists 14,14 for that locus.
- * The GMP shows INConclusive and 16 at locus vWA yet the Data Worksheet erroneously list 16,16 for that locus.

This results in there being matching findings at only two loci, far from even being considered as a match.

I am not being reimbursed in any manner to rendering this analysis and report nor am I commencing on the false report of the 282ND Judicial Court wherein it stated that a hearing was held but that was untrue.

I am will to testify, if needed, to the above.

I declare that the foregoing is true and correct.

Executed this 9th day of June in Boulder City, Nevada.

Signed by Harry J. Bonnell, M.D. filed affidavit facts in Appellant's Writ of Habeas Corpus 11.073 Scientific Evidence, Actual Innocence, And Newly Discovered Evidence Exhibit's 'A' Affidavit of Harry J. Bonnell, M.D. with Curriculum. Now if a hearing was held it is reasonable probability but for the trial counsel's unprofessional error's, the result of the hearing would have been different. Also, prejudice the appellant by

Exhibit A

not being present/abense at the Trial Court's Findings of Fact hearing, investagteing the DNA Report, questioning/challenge the State's Forensic Scientist DNA Report, presenting a defense for Aappellant in the close hearing by Judge.

Appellant harm analysis is trial court counsel harmed appellant by not investagteing the DNA Report, not being present/absencefrom the Trial Court's Findings of Fact hearing, did not **investigate** the DNA Report, suppress the DNA Report, did not question/chanllenge the State's Forensic Scientist DNA Report thie prejudice the appellant, and did not request for ahearing after the completion of the DNA Testing.

- C. **GROUND THREE:** Sixth Amendment to the United States Constitution
a right to cross-examination/confrontation clause the State's
expert forensic scientist.

Supporting facts (Do not argue or cite law. Just state the specific facts that support your claim.):

Trial Court deprive me of the right to cross examination/confronta-
tion clause to question/challenged the State's Forensic Scientist
entire DNA Report that court appointed counsel withheld from appell-
ant for five years.

- D. **GROUND FOUR:** Fourteenth Amendment to the United States constitution
violation of due process of law.

Supporting facts (Do not argue or cite law. Just state the specific facts that support your claim.):

Appellant was denied a statutory right to a hearing if the trial court
orders DNA Testing and the results of such testing are then com-
plete. Counsel was not present/absent at the hearing, this means
counsel was ineffective by not being present at the hearing to
represent appellant, Appellant did not have someone to represent
an question/challenged the State's Expert witness. Did not have a
